

Sample Introduction

John Draper

Creating communities that are inclusive of and accessible to people who have disabilities is the message of today's *Together We Rock!* presentation. Drawing from his life experiences, our speaker, John Draper, will share his insights and practical strategies on how all of us can promote full citizenship for people who have a disability.

John is a journalism graduate and a recipient of several awards recognizing his efforts to promote equality for all citizens. He is a unique presenter, with a vision that is achievable if we are motivated to work together to make a difference.

Please welcome our guest speaker:
